SHORTHORN HERD

N.E. AGAR ESTATE,

R.R. 4 BOLTON ONTARIO

Monday, September 18th

at 1 p.m. at the farm

FOREWORD

The late Mr. N. E. Agar was a great admirer of the Shorthorn breed of cattle, and developed one of the best herds to be found anywhere. It is one of those herds that have been maintained under practical conditions but at all times was a pleasure for visitors to see, if they liked good cattle. Great pride has been taken in the building of this herd, by its late owner, and it has returned much enjoyment to him. I know the late Mr. Agar would give much of the credit for its excellence, to his manager, G. Kreiger. Suffice to say they have made a splendid team and the combination has built a herd that is indeed a credit to the breed and to the beef industry.

As the farms have been sold, this is a complete dispersal. It presents a rare buying opportunity. Foundation females that would not otherwise be for sale, can be purchased. The health of the herd is excellent and any female that has not been a regular producer has been disposed of, to market. Although this is a dispersal sale and no further guarantee can be made, you can buy with confidence. Any known blemish will be announced at sale time. Your inspection of the herd is invited, and the manager Mr. Kreiger will be happy to show them to you and provide any further information.

Reford W. Gardhouse
Sale Manager.

ABERFELDY JERRY at left and 4 half brothers by **ABERFELDY CAPTIVATOR**, taken at 1968 Aberfeldy-Scotsdale Sale where he was purchased.

ABERFELDY CAPTIVATOR, AAA

One of the most popular sires in recent years is Aberfeldy Captivator. He was International senior champion bull and later classified AAA. More important, he is the sire of the 1967 International supreme champion Aberfeldy Heir and the 1968 International reserve grand champion Aberfeldy Jason. A daughter was 1968 International reserve senior champion female and another was International reserve grand champion. He has also sired many All-Americans and sale tops throughout the country. In his prime, Captivator weighed 2,100 pounds on pasture and he's passing that size and muscling on to his sons and daughters. Sire of Aberfeldy Jerry (stock bull selling).
